Paul,  
RE108 D2 and TT101D2 have increased other have maintained concentrations. Very concerned about the TT 101 cluster because they are south of Hempstead turnpike.

Stan Carey, Superintendent  
Massapequa Water District

**Subject:** Form 1 Validated data tables

All:  
On behalf of the Navy, Resolution is submitting the attached validated data. As per discussions between the Navy and NYSDEC, NYSDEC requested that the Navy submit the validated Form 1s as soon as the information is available.

Regards,  
Brian
